## DATES TO SAVE

Oct 31 – Crochet Club

Nov 1 – Chapel @ Church

Nov 2 – STEAM Club

Nov 2 – Bd of Ed Meeting

Nov 5 – Groundbreaking  
at F.V.L

## SCHOOL NEWS

### Wrestling Update

It looks like the wrestling club will be able to go forward at his year! A handful of men have been willing to help with coaching, while Mrs. Wicks takes on organization. Most of the men willing to coach are unsure if their schedules will allow them to come to every practice, so any others interested in helping out are encouraged to come as well. More information will be available over the next couple of weeks as a schedule is drawn up.

### Preschool & PreK – (Miss Buss) E: [miss\\_jbuss@yahoo.com](mailto:miss_jbuss@yahoo.com)

Greetings.

Recently a few very important things have gone home in your child's folder. One sheet had a list of dates that the Wrightstown School District had available to schedule a speech screening. I have spoken to a few of you in person, but those that I haven't, don't hesitate to shoot any questions my way if you have concerns or questions.

Also in your child's folders, your children have sheets coming home that have been done in school or empty sheets that should be worked on at home that were completed on the days they missed class. Please return them when completed as I am collecting a portfolio of work that we are doing throughout the year. This also helps to reiterate concepts that we are working on throughout our week. Thanks!

We are having a party in our classroom on Oct. 31<sup>st</sup> from 9:30 – 11:00. Parents are invited to attend if they would like. We will be having Halloween themed activities for the children to complete and much fun will be had! These activities will go from 9:30 – 11:00 and the half hour from 11:00 – 11:30 will be free play in our room giving children a chance to do some activities again or show their parents some of their favorite toys. Children may wear their costumes to school that day. However, please make sure that 1. Students can go to the bathroom easily in their costumes, and 2. Students are wearing other clothes underneath their costumes in case they become too hot and need to take them off.

Please watch for a form coming home in the next few weeks that will have information about Parent teacher conferences coming up. We are doing Parent teacher conferences the evenings of Wednesday November 15<sup>th</sup> and Thursday November 16<sup>th</sup>. I will be sending a sheet home with times that are available that will allow you to

**St. John**  
LUTHERAN SCHOOL

---

**Our Kindergarteners are getting farther and farther into their literacy. Nearly every day, they are asked to read small letter groupings and words, as well as sounding out at least some of their writings**

---

**Grades 4-8 - (Mr. Raddatz) E: [trr61210@gmail.com](mailto:trr61210@gmail.com)**

As St. John Lutheran charts a course for its' future, I want to take the time to allow opportunity for parents to offer input and suggestions of what they feel are important areas and aspects for St. John to consider. These suggestions could be on: physical facilities, program offerings, operational structure, parental involvement, extracurriculars, etc. All input is beneficial. Comments, suggestions, and critiques can be directed to [stjlsw@gmail.com](mailto:stjlsw@gmail.com). Please look for dates in the future, where parents can have personal input via in person forums and informational meetings.

As we have added new families and students over the last several years, we feel it important that we don't lose our identity, but also focus on how we can best serve our families and the surrounding communities.

If you are interested in joining an informal group that discusses the future of St. John Lutheran School please pass on your contact information to me at the following address, [trr61210@gmail.com](mailto:trr61210@gmail.com)
