### **School News**

#### **ASH WEDNESDAY**

St. John Lutheran Church is offering a 1:30pm worship service this year providing another opportunity for families to join together as the Lenten season begins.

#### **PARENT GET TOGETHER**

Parents we haven't forgotten about you and the opportunity to get out and join others in some fun and good company. The weather has put the damper on finding an activity that all might enjoy while not losing any fingers or toes. We are looking for any ideas for future gatherings. It could be bowling, progressive meals, or whatever else might interest you; we would like these to be events where we get a large group together to enjoy great company and simply have some fun. If you have any ideas, or would like to coordinate the next event, please email Tim Raddatz at [stjlsw@gmail.com](mailto:stjlsw@gmail.com).

#### **STUDENT ACCOUNTS:**

If anyone is looking for a statement to use for tax purposes please contact school. These statements can usually be generated and emailed or printed off within the hours of a typical school day. If you would like an electronic copy please email your inquiry to [stjlsw@gmail.com](mailto:stjlsw@gmail.com).

#### **SCHOOL EXPECTATIONS:**

Parents we are nearing the end of third quarter. Continue to remind your child about the importance of completing and submitting all school and homework assignments. Work assigned by our teachers and completed by our students is vital in providing evidence of mastery in learning. Secondly, there are standards of learning, established by the state of Wisconsin that require completion of certain tasks and the ability to provide evidence(work) that supports the progression of each student toward the completion of their respective grade level.

#### **ENGLISH IMPROVEMENT OPPORTUNITY CLASSES:**

St. John Lutheran Church and School has started English Improvement Opportunity (EIO) classes. We meet every other Monday of each month. If you know of anyone who is adjusting to English as a second language (from any language background), please encourage them to get in touch with us. If you are interested in helping out on occasion, please let us know. There is no experience or special knowledge required; the class is taught by helping others repeat basic phrases in English to gain confidence and learn the patterns within our language.

## **OTHER UPDATES:**

**Please note that teachers are making progress in getting their classroom pages up and running. Please feel free to visit [stjlswrightstown.com](http://stjlswrightstown.com) and click on the classroom tab found on the side menu bar. It is a great place to check every once in a while to find specific information for your child's individual classroom.**

**Several parents have asked about resurrecting a tab within our newsletter about items they are looking for, willing to donate, or trying to sell. I am happy to include this section going forward. If you or someone you know fits any of these areas, please email a description along with any photos to [stjlsw@gmail.com](mailto:stjlsw@gmail.com).**

**We are looking to collect LOTS AND LOTS of candy in preparation for our annual Easter egg hunt. Donations can be dropped off in the office anytime during school hours. Please note that the candy should be able to fit in a normal size plastic egg. Last year we dispersed 5,000 eggs, so our challenge this year is to try and top that number of pieces.**

**I am extending an invitation to any individual, family, or those you may know, who might be willing to consider making a contribution to our Cardinal Scholarship Fund. It is always our intent to provide the best education possible, always keeping in mind the reality that our school and all private schools require tuition to help in their operation. Accordingly, there is a tremendous opportunity for any one person to help make St. John Lutheran School an option for those who seek it. If you or someone you know would be interested in the options that exist, such as, sponsoring a student, making a contribution to the Cardinal Scholarship Fund, or helping out in a number of other ways, please contact Tim Raddatz via email at [stjlsw@gmail.com](mailto:stjlsw@gmail.com), cell phone number 920.636.5007, or in person anytime between 7:45am-5:00pm**

## **St. John Lutheran School's mission:**

**Ignite the love of learning, Infuse the Word of God, Inspire tomorrow's leaders**
